

dog day chardonnay 2022

Triska Vineyard,
San Francisco Bay

Our Vision

We share a vision of a world where every animal is loved and every person knows the love of an animal. Proceeds from every bottle sold are donated local animal shelters and animal welfare organizations in every community this wine is sold.

Tasting Note

Orchard aromatics of Bosch pear, Fuji apple, and ripe pineapple aromas greet you like old friends, moving to peach, and even a surprising burst of lychee on the palate. Firm acidity joined by silky oak and hazelnut accents extend through the finish.

Give Back

Since 2015 in the San Francisco Bay Area, every bottle of Dog Day Cabernet & Chardonnay has raised \$2 per bottle sold for Valley Humane, our local non-kill shelter.
