 EAST HILL  
 CABERNET SAUVIGNON 2021  
 LIVERMORE VALLEY, CALIFORNIA

**GOLD**

*Alameda County Fair  
 Wine Competition 2024*

*two years in a row!*

Blazing sun. Steep slopes. Lots of clay. Not much soil. Lone Hill is perfect for growing Clone 30 Cabernet Sauvignon, one of California’s most distinctive and colorful heritage grapes.

The east and west side of Lone Hill are each a little different, with the fruit on the east side having a more pronounced eucalyptus or minty profile.

**TASTING NOTE**

Charismatic aromas of blackberry intermix with spicy tamarind and dark chocolate ganache. Sagebrush, a note that comes straight from the vineyard undergrowth, here appears with a more ephemeral touch of lilac and silver mint. On the palate, this wine has a neat structure of equal parts high acidity, piquant tannins and velvety body. Tamarind paste, Damson plum, and baked blackberry are joined by a savory meatiness that lingers through the finish.
